Re: Request to Forest Park Council

Dear Mayor Hoskins and the Forest Park Council:

The West Cook YMCAs INC. respectfully requests permission to display a banner promoting a Christmas Tree lot that will be open from November 27-December 24. For 118 years, the West Cook YMCA has served our community by connecting residents to programs and services that help them live healthier lives, and we want to have more families involved in these programs to strengthen our community for the future. The proceeds from the Christmas Tree lot benefit the Annual Support Campaign that provides scholarships to children, adults, and seniors right here in our community. We would like to display this banner at the corner of Circle and Madison from Monday, November 23, through Sunday, December 24.

Thank you for your consideration.

Respectfully,

Phillip Jimenez
